Name: _____ Date of Performance ____ / ____ / ____

Address: _____ Phone #: _____

Email: _____ Date of Birth ____ / ____ / ____

Details

You must be available to compete every week noted in the attached 2019 rules to enter the contest. Contestants eliminated Quarter & Semi-Final rounds have an opportunity to be saved by the judges. The judges will only have one save and must decide to use the save or not by the Nov. 20th show.

The winner of State College Singing Sensation 2019 will receive \$500, opportunities to sing at local sporting events, and other great prizes! The 1st Runner Up will receive \$150 and 2nd Runner Up will receive \$100. Each contestant must be at least 21 years of age to compete. Contestants may not be contractors or employees of Northland Recreation Centre, Inc. or StressBusters Entertainment.

The State College Singing Sensation judges will assess the ability of the contestants on several criteria, which do change as the rounds progress, including singing ability and stage presence. The scores from each of the 3 judges will be added together for a total score for each singer. Maximum points do change as rounds progress. Score sheets are available upon request.

The winner will be the singer who has the highest score. In the event of a tie, the singer with the higher singing ability score will be deemed the winner. If there remains a tie, there will be a sing-off between the involved contestants the following week preceding the start of the next round.

Each singer who competes agrees that the act of judging talent is subjective and that the point totals are final.

Tracking song choices: No one contestant may repeat a song they have already sung in the competition once quarterfinals start.

You must PRE-REGISTER at the Arena by 9pm in order to perform that evening: Wednesday August 28th, September 4th, 11th or 18th. Please ask the karaoke host or bartender for a form any day of the week!

By signing my name below, I agree to the rules of the contest.
